

REVISIONS RECORD 2.0

Global View of Great Earthquakes and Large Volcanic Eruptions Matched to Polar Drift and its Time Derivatives

by Douglas W. Zbikowski

Draft 2.0 posted on 19 April 2012

Draft 2.0 to 2.1 Changes:

1. Section 6 - In sentence four, removed '.' after 'W'.
2. Section 20.2 - In sentence one, exchange polar 'drift (or wander)' for 'wandering'.
3. Section 20.2 - In the last sentence, replace 'crustal energizing generated commensurately by ellipsoidal demand' with 'ellipsoidal demand generating commensurate crustal strain/stress'.
4. Section 20.3 - In sentence one, replace 'seismic energy deriving from polar drift' with 'polar drift driving seismic energy'.
5. Section 20.4 - The first and last two sentences were reworded for improvement.
6. Section 20.5 - Sentences one, eight, and nine are reworded for clarification.
7. Section 22 - In note 14, added the publisher, Dover.
